I am delighted with my purchase and the careful delivery of this book. It's pages were somewhat stiff - stuck together- and a little faded due to the age of the book. It was going to be a wedding gift, but under the circumstances I bought another gift. Luckily, I wanted a copy for myself anyway!

I wasn't sure what condition this book would be in but it exceeded my expectations. I'm so happy to have it in my personal library. Thanks!
