Fiji Travel Guide: Sightseeing, Hotel, Restaurant & Shopping Highlights

Synopsis

Formed out of volcanic mountains and tropical seas, Fiji's majestic coral reefs and friendly people attract tourists from around the world. Situated on the way from Hawaii to New Zealand, the archipelago includes 332 islands with about 110 of them inhabited. The 180° longitudinal line passes through Fiji twice – through the Vanua Levu and the Taveuni islands – placing Fiji in a time zone that is ahead of most of the world.

Customer Reviews

I do not recommend this book. It has about 25 pages, large print and does not cover all of Fiji - very disappointing purchase. Most of the information is available through a basic internet search. I am back where I started. I would like a refund.
