Happily After All (eBook): How To Keep Your Relationship Going When You Are Tired Of Trying

Synopsis

This book will show you how to be happy, loving and grits free. Relationships these days are harder now because conversations have become text messages, arguments have become public information, and feelings have become blog rants and social media status updates. No relationship is picture perfect, and ours was not like the fairytale relationships that youâ™ve seen on TV. After all the arguments, tears and flying pots, we were determine to win; and Iâ™m sure you can too. I believe that we have the solution to strengthen your thoughts and approach towards relationships and love. You may not have a Happily Ever After... but you can be Happily After All.âœ This is reality on paper for couples everywhere.â• - Kim Fields & Chris Morgan (ACTRESS, PRODUCER)âœ Before you even think about putting a ring on it, Listen TO WILLIE!â• - Cedric the Entertainer (KING OF COMEDY)âœ Willie Moore Jr. has pulled back the curtain on relationships for the single, married, young, and old.â• - Dr. Holly Carter, (EMMY AWARD TV PRODUCER) For More on the book visit <http://HappilyAfterAllBook.com>

Customer Reviews

I wish I had this book available to me during my first marriage. However I am currently in a relationship that has been challenging but we love each other deeply and this book has really

opened my eyes on how to get through the difficult times and the disagreements. I am thankful for the wisdom in this book.

Every daring courting, engaged and married couple needs to read this book! I have been in tears since the beginning of reading it because of the confirmation and revelation that God has shown me through this book.

I finished this book in 2 days!! After watching YouTube videos, following on facebook, and seeing two amazing God fearing people... I NEEDED /WE NEEDED this book. I literally laughed, cried and prayed my way through each page and chapter. Each transparency felt like our current situation. I am realizing that God is using me to create our "Happily After All" life and I am blessed beyond belief to share this with him and excited to see God move in a space I can not. Thank you Willie and Patricia Moore!

This book is definitely a must read for anyone that is married, soon to be married or wants to get married. The transparency the Moore's use to share their story is so needed. If you are a fan of Willie's YouTube videos you will love this book as well. You won't be disappointed...get the book!

even though I am not married this book had issues in it that I have experiences with past relationships. the main key is to have GOD, PRAYER AND A PLAN. that there WILL be ups and downs but with GOD you can get through.

This book is awesome and an easy read! The experiences and practical application of biblical standards to relationships and life in general made this book one of the best I've read!

I enjoyed reading this book and I was able to identify with some if not most of their issues. I would recommend this book to anyone who is or wants a better relationship with their significant other.

The book was good bc he was very detailed about arguments he's been in that I'm sure are everyday type of arguments people go through. He always had a happy ending with each scenario.
