Bought this for an elephant-themed baby shower. My friend loved it. Cute!

Great book and love the finger puppet in the story.

Amazing book

it is a very small book....

So sweet.

Mommy and me is an adorable and sweet book. Its sturdy and the thick card stock pages make it easy for little ones to turn it and easy to wiggle the elephant hand puppet with the finger. As you turn the pages, little ones will have tons of fun learning about different animals and colors. This book makes a great gift. Disclosure: I received this book for free, in exchange for my honest review.

New mommy loves her gifts. Add 15 more words today and tomorrow are not promised so enjoy each day !

I bought this to be part of a baby shower gift and it was a hit! The mommy to be was elated to see that it was a finger puppet book. The story is simple and an overall cute book for babies.
