Such a cute book. And it comes with a paw print dog tag! I bought this book for my little nieces and I'm sure they'll love it.

Grandson liked

Our grandson really enjoys this book; so does his father.

Go it for my little brother he loves it especially the little dog tag that comes with it he never takes it off.

Great book with interesting facts and pictures!

Very fun facts about all kinds of animals that have helped out the military, many unexpected. I purchased this for my seven year old son, both he and his eleven year old sister loved it!

Everyone in our family has military service. My son who served in Iraq and Afghanistan always said that the service dogs were invaluable.

Very educational!
