Best Sellers Rank: #625,172 in Books (See Top 100 in Books) #147 in Books > Arts & Photography > Drawing > Cartooning > Anime & Cartoons #24754 in Books > Comics & Graphic Novels #98629 in Books > Children's Books

Grade Level: Preschool and up

Customer Reviews

I chose to do "Snow White and the Seven Dwarfs" as a book review because it was different and it has really good pictures. I think that it is good to have good pictures in a childrens book because it helps them understand the book better and get a better point of view. Also because it helps build their imagination. I really think that it is good for kids read short stories or longer stories. It makes them smarter and more prepared for the future. It also helps them figure out the difference between good and evil. In the book "Snow White and the Seven Dwarfs" they demonstrate good versus evil very well. I would recommend this to parents that are raising a young child, and kids that are starting to read.
