Customer Reviews

I have used this book specifically for several years and found the the print to be of a nice size, the pages are sturdy and take a lot of abuse. Has everything in the way of readings that you would need for a Catholic Mass.

Love it!

I am delighted with the Book. The size of the print is excellent and the quality of Book is befitting for it's use in Public Worship

In January 1, I and my seven years old daughter went to our cathedral to participated in the Bishopric of Mass. Reading and Gospel was read both in Japanese and English. In Japan, our bishop council do not publish this holy book in Japanese. So she saw red books of gospel was on the alter, she asked me, what is that, roman missal? I said, we eat the bread of life, but, how to know our Christ? When Holy Bible is read in our Mass, God say for us, and command what we will do in our daily life. Gospel is the word of our Christ, not only said to the people of 2000 years ago, but also here and now to us through him by himself and Holy Spirit help us understandings. She was very impressed, and said to me, I want a copy of this. Why, read and pray in our house? She said, no, bring it to our church, and I will pass to my priest, please use this Gospel in our church.

Love this book. very large, easy to read
