Learning to Pray like PaulGod doesn't demand hectic church programs and frenetic schedules; he only wants his people to know him more intimately. The apostle Paul found that spiritual closeness in his own fellowship with the Father. Praying with Paul calls believers to reject superficiality and revolutionize their lives by embracing a God-guided approach to prayer. By following Paul's life-shaping principles, we can hear God speak to us today."Carson shows how the apostle Paul kept eternal values at the center of prayer. . . . [This book] is a manifesto for profound, other-centered, God-guided praying. Such prayer is not caught up in the tyranny of the urgent but the urgency of the eternal."--Christianity Today "The greatest need for churches today is not education, evangelism, or programs but a deeper knowledge of God. [This] book contributes to filling that need by assisting those who read it to a fuller life of prayer."--Review and Expositor"This work is one of the best recent efforts that integrate biblical praying with the whole Christian life."--Master's Seminary Journal"The reader is guided, gently yet persuasively, towards a reformation in personal dealings with God. This excellent and timely book can be heartily commended."--The Banner of TruthA study guide, DVD, and leader's kit for Praying with Paul are available through The Gospel Coalition ([thegospelcoalition.org](http://thegospelcoalition.org)).

For the Christian who seeks deeper and practical insight into praying and connecting with God more powerfully by getting a better understanding of His will with a view to praying and seeking Him in alignment with it...if that Christian is you, then look no further than this book. It is a revelation into the will of God from Paul's prayers. Sound doctrine, effective application. I applaud this book, it will stand the tests of time as a classic.

Very helpful. After each chapter, I have found myself praying in terms of the chapter's teachings. It is practical as well as motivational. It has enough detail to be transformative in daily ways. It has changed the way I pray, to be more biblical in what is prayed for.

Thorough treatment on the subject of prayer. I don't like listening to Carson, but he is extremely smart and this book is well written. I would basically have to write a cliff notes version of the book to explain it all, so instead I would tell you to go read the first chapter for free on a kindle, and let what you read there determine if this is what you are looking for. Should you buy it, you will not be disappointed.

Carson does us an enormous favor by walking us through the prayers of the great Apostle Paul. Keen insight into the approach to prayer by Paul helps us to strengthen our own prayer life. Informative and inspiring this book is to be studied not just read and its insights applied.

One of the best books on prayer I've ever read. Definitely the most practical. Carson's writing style makes for an enjoyable reading experience as well.

This look into the life of Paul and his intercession before God will change the way you view prayer. It will transform, if you will let Christ alter your life, how you communicate with Him by the written Word!

Great collection of the prayers of Paul and how we might pray in a similar manner. Yet, what really makes the book is all of the small subchapters and points DA Carson makes when addressing each of the larger concepts.

D. A. Carson continues to move up the list for me as a personal favorite for books. This book focuses in on the prayers of Paul that are all through his epistles. It is a helpful book to inspire you toward a deeper prayer life but having the Bible as a guide for you to follow with your praying.
