May I Go Now?

Synopsis

A little girl waits in Heaven for her turn to join the earthly family God has chosen for her. She loves her morning talks with God. However, once she sees her family, she can't wait to go! Each time her family's baby bell rings, she asks, "Dear God, may I go now?" This story is about our Heavenly Father's sweet love for us, the patience we learn as we trust in His perfect timing, and how deeply He desires a personal relationship with us.

Customer Reviews

Children will be drawn to this book because of the colorful cover, but once the reading begins, they will be caught up in this sweet story of a little girl waiting to join her earthly family. Mrs. Middleton has done an excellent job in creating a "page turner" for little ones. With the ringing of each "baby bell" they will be anticipating the little girl's turn to be born. Parents eager to teach their children the value of a quiet time with God each day will find this story particularly helpful. The little girl leaves heaven knowing that she will be able to continue her morning talks with God.

This is the sweetest book!! It tells the story of a little girl up in heaven waiting on God to send her to her family. The illustration is amazing. I love how the writer describes her brothers and the love within the family. Very please with the book!! 4 Stars!!!!

Such a precious story! Every single time I read it, I am overwhelmed with tears! The little girl's complete faith and trust in God's plan is central to the story as she waits for her Father to place her with the earthly family He has lovingly chosen for her. And, I love the reminder that the little girl's daily conversations with God should continue throughout her life. Great admonition for all of us!

Beautifully enchanting book about our Heavenly Father's overwhelming love and perfect timing. Written from the perspective of a child longing to meet the family God has chosen for her, May I Go Now will leave you teary and longing to be in His presence once again. Adair Fletcher Middleton has done an amazing job, through richly-painted illustrations and honest dialogue, of capturing His love and desire for all of us. Bravo!!!

The whimsical illustrations drew me to this book! The story of God's perfect timing is so sweet and I love how the author gives great ideas on how to spend time with God in the back of the book. Children and adults both will enjoy this book.

The stunning illustrations in this book perfectly enhance the beautiful message I wish every child could hear: that she is intimately loved by God and cherished by her family. This would be a wonderful, thoughtful gift for any child!

This is the sweetest book! A beautiful story with equally gorgeous illustrations by the author. The perfect gift for any little girl or a wonderful baby gift.

What a sweet and precious story!! I bought one for myself and a few to give as gifts! The illustrations are beautiful, too!
