Middle school world history

Excellent! thank you

Best Choice I've made-arrived early

home text to lighten son's backpack

Excellent conditions!

I received a book that was in very good condition. I was really pleased with the price for the quality of the book. The only bad thing is that it took around 10-14 days to get to me. I guess that keeps the price down - i would have paid more to have it arrive sooner if that was an option

One of the best Children's Didactic books I have ever seen, Easy to read, accessible language, tells history in a very pleasant to read way. Covers History considering cultural, economical and geographically, imagines with the child how was life in that period! I loved it! Great Book! One

reviewer did comment that one of the 10 commandments was left out of the book.. I am not religious..and am not studying this section with my son.. but if they did leave it out it is a pity.. after all.. all History is part of our life! And we should know some of all religions, to know what shaped and guided so many people lives!She posted the missing commandment:"Second Commandment (Exodus 20:3-6): You shall have no other gods beside Me. You shall not make for yourself any graven image, nor any manner of likeness, of any thing that is heaven above, or that is in the earth beneath, or that is in the water under the earth. You shall not bow down to them, nor serve them, for I, the Lord Your God."

HORRIBLE!! The book leaves out one of the Ten Commandments in Chapter 7 page 204 of the 2012 run. Commandment #2 is no where to be found.Second Commandment (Exodus 20:3-6): You shall have no other gods beside Me. You shall not make for yourself any graven image, nor any manner of likeness, of any thing that is heaven above, or that is in the earth beneath, or that is in the water under the earth. You shall not bow down to them, nor serve them, for I, the Lord Your God.Not sure if this was truly an error or if they purposely censored the book but either way it NEEDS to be corrected before any other school/students use it.

I ordered this book for the online resources and videos that accompany it. The description DOES NOT mention that there is an additional "premium interactive service" that you have to subscribe to in order to access the videos and resources. I called my cable company and they directed me to the publisher. I called the publisher and held for over 20 minutes. Finally I called Follett Educational Services (where the book shipped from) at 800-225-5425. This is where someone FINALLY told me that I needed the additional link. It was \$18.95. I don't mind the additional cost, but it took almost 2 hours of voicemail, customer service calls and wait times to get it! Worth the wait though ...
