Customer Reviews

Great to have encase of emergency. Easy to read, has all main freeways/highways and main roads, but don't expect every dirt road to appear on this map. Good price and quality, as pictured. A little thicker when folded than I imagined but it is a pretty big decent map for the price.

Very detailed and easy to read.....great listings of towns/counties and population numbers.....just what one needs if you don't have GPS!!!

The map served us well on our last trip. Easy to read.

Love the BIG print, easy to read

Very unhappy. Ive never seen a map the split the state up on both sides. There were no pics in sale page. Would have never bought it if i had known. . Will be returning, or using to start a camp fire.
Junk

Very good.

Going on a driving vacation, you need a good road map. This Rand McNally Nevada State Map is exactly that - a great tool to make sure you get where you are going (and maybe not have to ask for directions).Easy to read and accurate.Patricia Sutton

Useful, even if you have a GPS. The map shows tiny roads that your GPS may not show. And the paper map doesn't run out of batteries.
