Synopsis

Closer Than Ever: Heaven in my Heart Series (for pre and early teens), Book One
Brienne Carmichael cannot imagine her life being the same without her best friend, Sarah. After two years of being her closest friend ever, Sarah is moving away, and Brienne must begin her seventh grade year without her. As the first day of school arrives, some old friends, along with some new ones, keep her day and the weeks that follow from being as unbearable as she originally thought. But when one of those friends does something completely awful that puts her in a difficult and embarrassing situation with a new boy at school, she misses Sarah more than ever and wishes Ashlee would have been the one to move away instead. Can Brienne find it in her heart to forgive, or will she let anger rule in her heart instead of love? We know how much God loves us, and we have put our trust in Him. God is love, and all who live in love, live in God, and God lives in them. 1 John 4:16*Closer Than Ever is the first book in the "Heaven in my Heart" series for pre and early teens. Books in this series are recommended for girls ages 11 to 14 and are meant to be read in sequential order. There are a total of eight book in the series, as follows: Closer Than Ever, Anything You Need, A Real Friend, Don't Let Go, Face To Face, Keeping It Real, By Your Side, and Let It Shine. This series is followed by the "True Friendship" series for ages 12 and up. Readers of this series may also enjoy the "Seeking Heart Teen Series", also by Melanie Wilber, for ages 13 and up.

this book changed my life and outlook on life. i have a boyfriend and things r gr8 and i see the wiseness in waiting til later, im going to try to be more committed to God since im with my boyfriend. i need to find the balance since i didnt find it before. and i could always spend more time to get closer to the family. i hope God helps me to stick to my commitments stated above. ill definitely read the next book!

Loved this story and want more girls and boys around this age to read to see the choices they can make and the benefit in not being so quick to have a boyfriend or girlfriend at a young age. It's emotionally complicated and too much to deal with. There's plenty of time and things can change

I really liked this book. I could actually relate to it and it's like a reality check for me. This book made me step back and say 'wow I need to work on that too'. I think any pre-teen or early teen girl should read this especially if you're going through something with guys. The book isn't one of those books that are hard to get through, it always has something going on. This is truly the best book ever and I can't wait to read the next one. God bless.

This book really showed me a lot about my life and things I do and to trust in God always I recommend this book for teens that don't understand things that are going on in life. Me being only 13 I see life in a whole new way now and hope you read thisLove:pay

Very enjoyable teen story, of learning to trust God in all situations. I would recommend to everyone that wants a Christian story of love and friendships.

I have read another series similar to this but it was for older girls. I like that this one is for girls my age, 12. The series gets better as the books go on, so do not give up on it too soon. Great series!

This book really touched my heart it helped me realize better that sometimes things happen and u don't know y but God always has a good reason

Great ..
