# Pet Rock Manual: Instructions On How To Take Care Of Pet Rocks And Keep Your Pet Rock Happy (Guides By V.A. Sharp Book 1)

## Synopsis

How do you cure blindness in a rock? What is the ideal habitat for a pet rock once it has been relocated from its natural environment? From basic instructions on how to make a pet rock to advanced rock care, such as using colored duct tape to make your pet rock's home more inviting, V.A. Sharp has written the definitive guide on pet rock care. This is an extremely short guide that gives the basics of rock care, and it includes several pictures. V.A. Sharp is a tween writer who blends fiction and non-fiction in her how-to series. She volunteers as a member of the recycling team at her school, and wants to write ebooks because they are environmentally responsible. This is her first ebook, and she is working on the second title in the V.A. Sharp Guides series. "A fantastic debut by a very creative writer, this book will delight and enthrall readers of all ages!" - Quinn Baldwin, author of Crossover.
