# Barcelona Travel Guide 2016: Essential Tourist Information, Maps & Photos (NEW EDITION)

## Synopsis

Published by Travel Bug Guides, "Top 20 Barcelona" is the essential Barcelona travel guide. Inside Travel Bug Guides "Top 20 Barcelona": -Barcelona's top 20 attractions, listed in order of importance (so you can cut to the chase, and see what you MUST see before you leave Barcelona). -Essential historical information and background information about each of the top 20 attractions (so you can truly understand the importance of each attraction). -Full-color photos for each of the attractions (so you can see what you're visiting before you arrive) -Maps showing the location of each attraction (the maps are easy to use and will ensure that you save time) -Opening hours and contact information for each attraction (to make sure you visit at the RIGHT time) -The convenient "order of importance" structure ensures that you'll know exactly which attractions you need to see first -Insider Tips to ensure you get more value from every single attraction

The Ultimate Barcelona Travel Guide This Barcelona visitors' guide is written for people who want a simple, uncomplicated guide to getting the best out of Barcelona. Whether you're visiting Barcelona for a day or two, or are planning an extended trip, Travel Bug's Top 20 Barcelona travel guide is the perfect starting point. With detailed information about the best attractions, and the top 20 Barcelona attractions listed in order of importance, you'll know exactly where to start your tour. Every attraction listed in this Barcelona Travel Guide has essential background information, color photos, maps, and important contact information. Not only that, but you'll also know the best time to visit each attraction.

The Most Important Tourist Attractions in Barcelona This travel guide is packed with only the most important "must-see" attractions. Here's a snippet of some of the attractions waiting for you inside this Barcelona tourist guide: -The Sagrada Familia, one of UNESCO's World Heritage Sites... -La Pedrera, a true architectural innovation... -La Barceloneta Beach, a popular destination for both locals and tourists... -Picasso Museum, with more than 900 pieces... -Camp Nou Football Stadium, the largest European football stadium...

Travel Bug Guides' eBook Features -Easy Navigation: Jump from one attraction to another without needing to scroll page after page after page. -Bookmark Your Progress: When you're ready for a break, simply bookmark your progress so you can easily continue later! -Add Notes: Don't want to forget something important? Just add a note to the guide and it'll be saved for you!

About Travel Bug Guides: Started by a group of passionate travelers, Travel Bug Guides have quickly become the essential "no-fluff" guide for people looking for uncomplicated yet complete tourist information. Travel Bug Guides are now available for a wide selection of the most important tourist hubs around the world.

## Customer Reviews

The book contains the top 20 tourist attractions in Barcelona which anyone should visit while visiting this splendid town. For me, the book contained everything I was looking for:- a short history about each place (things anyone should know before visiting a place)- actual location of the place, with google map photos- hours of operation. I don't want to make my way all the way to the other side of the town, just to find out that the place I wanted to visit is closed.- contact information, including phone numbers (where available)The book is a useful little guide for any traveler. This is the second travel guide I buy from Travel bug guides, and so far I am more than pleased by them.

I found this Barcelona guide useful, and it definitely helped me get more out of my 3 days in Barcelona.The guide contains a list of the top 20 tourist attractions in Barcelona, and a brief description, photos, and a map for each. Each attraction also has the opening hours and further contact info, which made a big difference when I was planning my trip.Don't expect a 300 page book, this is a condensed guide that gets to the point without overloading your brain with

information, for me it was perfect.

it is brief, includes pictures a map and entrance info for each place, would definitely recommend this for anyone just wanting to hit the major attractions.

Okay.

Concise information about the most important locations you want to know about and visit while at Barcelona. Especially useful for first timers.

Was very valuable on my recent trip to Barcelona.

We should be prepared!

A good summary of 20 top places to visit. Good information on location and highlights. Well organized. Reference to online maps as well. Certainly not a comprehensive guide, but it covers the Top 20 well, which was its intention.
