Customer Reviews

Sidu is best known for illustrating the light novel series, Kagerou Daze. JIN is best known as the author of the Kagerou Daze light novel series.

From the Darkness consists of Kido's backstory and plot progression and revelations. Jin continues to bring emotionally painful backstories to his characters while bringing the much more plot progression in the main story than the previous volumes, and is possibly the climax of the entire series. In his afterword he states the next volume might be his last, and I look forward to reading it.
